Re: Notice of Ex Parte in CG Docket Nos. 03-123

Dear Ms. Dortch:

On March 18th, 2019, Peter Hayes, CEO of TranslateLive LLC, met with Ariella Roth legal advisor to Commissioner O’Rielly via telephone.

Peter Hayes explained what TranslateLive does and how the technology could be used by deaf and hard of hearing iTRS users. We discussed how the application could be used to provide new options and ways for providing live captioning services across multiple different communication methods. We also discuss how this technology would in no way replace IPCTS but be an add on which would offer new and innovative ways for iTRS users to communicate. We discussed scenarios and benefits of the technology as well as how the cost compares to traditional IPCTS.

Respectfully submitted,

Peter Hayes
